Insider Tips and Secrets to Get The MOST Out of Your Computer

FEB 2014 — VOL 11 — ISSUE 2

We Have 3 Gifts Reserved For You This Valentine's Day To Show You How Much We LOVE Your Business!

Finally, Valentine's Day gifts that won't make you fat or give you cavities! During the entire month of February, we're having a special event for all of our clients (new and old) to show them a little love and appreciation.

- 1. A FREE Gift and Goodie Bag (\$100 Value).** Call us for anything during the month of February – a repair, an upgrade or even a quote on a project – and we'll give you a free Valentine's Day Gift and Goodie Bag chock-full of useful, interesting and fun gifts. Yes, we are keeping the contents secret, but the value is over \$100!
- 2. A FREE Network Audit (\$497 Value).** Are you worried about viruses, spyware and hackers? Are you curious about whether or not your business could be moved to the cloud? Are you uncertain about how safe your data is? Would you like to know for sure if your backups are really working?

Then contact us during the month of February and we'll give you a FREE Network Audit (\$497 value) to conduct a thorough investigation into your computer network to look for early warning signs of data loss, extensive downtime, viruses, hacker attacks and other hidden threats to the safety of your data.

- 3. A FREE Month of Data Back-up (\$597 Value).** Sign up for our data backup service during the month of February and your first month is FREE! Everyone knows that you need to back up your data – but did you know it's critical to have an off-site backup in case of fire, flood, theft or hardware failures? Don't lose everything! Sign up for our data backup service and you'll sleep a little easier at night knowing your data is safe.
